To whom it may concern,

I believe the proposed federal settlement is excessive and I am more than appalled that my state, California, claims more damages are in order. My state's attorney general and the Department of Justice to a lesser extent are NOT acting on my behalf or in my best interest or the interest of the citizens of the United States by attacking the company most responsible for the solid economy of the 1990s.

It is not a coincidence that the economic downturn and the initial judgment occurred near the same time.

Thank you.
